

Services

RECORD RETRIEVAL:

Med-R will provide an on-site medical record specialist to process all medical records requests for attorneys, insurance companies, workman's compensation and subpoenas.

X-RAY RETRIEVAL:

Med-R will provide X-Ray Technicians to process any x-ray request from attorneys, insurance companies, workman's compensation and subpoenas.

PAPERLESS ENVIRONMENT:

Med-R will scan all of your patients charts into transferable format. When you are ready to sign up for an EMR system, the patient's charts will be in paperless format to be transferred into your EMR system.
