

Let us qualify you as a client today, the Med-R way!

MISSION STATEMENT

Med-R is a global medical record retrieval company that utilizes state of the art equipment and provides HIPAA certified and background checked medical records specialists.

Med-R prides itself in being the primary leader in record retrieval and enabling medical facilities to be able to enhance their profits, reduce cost, and become more patient focused.

Our focus continues to provide value added services to facilities and provide a faster way for records to be in the hands of the requestors.
